TRAILER: A Tour In And Around Our House in Maroamboka

Dear friends,

On the 11th of February we are organising a meeting in which we will give a presentation of our work on Madagascar. No worries, we fully understand that you might have others things to do than travelling up to Holland for this occasion.

However, there is one thing you can do to get a glimpse of our lives on Madagascar! You can watch the tour in and around our house given by Katja and the children. In an 18 minutes video they will show you every corner of our house and there playground.

For now we give you a little teaser but stay tuned as on the 11th of February this video will go live!
